MUSTANG PROUD!

YES WE CAN!!!

### Associate Principal Introduction - NISD Reunited

Dear Mustang Families,

I am Mrs. Almendarez I am proud product of NISD. I attended J.B. Passmore ES, Anson Jones MS, and was a member of the first graduating class of the John Jay Science and Engineering Academy. I earned her Bachelor's in Business Administration and Masters' in Professional Accounting at The University of Texas at Austin. I also earned a Masters' in Educational Leadership from Lamar University. I began serving students in NISD back in 2007. I enjoyed 5 years at John Jay High School as a SE teacher before moving to Brennan HS to serve as their Academic Support Teacher. I then worked as an Admin Intern at Brennan HS for 2 years before being promoted to an Assistant Principal at Harlan High School. I was appointed to be the Associate Principal of John Jay High School in the summer of 2021 and she is excited to be back with her Mustang Family.

As the Associate Principal of John Jay High School, I am responsible for the master schedule, campus facilities, and oversees any and all discipline at the campus. Mrs. Almendarez believes that all students deserve a safe, challenging, and positive atmosphere where they can strive to be their best.

## JOHN JAY THEATRE DEPARTMENT

Great things are happening for the John Jay Theatre Department! Over the summer, we were part of the Rising Stars Summer Camp performance of Moana JR. This camp really brought in our community and highlighted our title 1 schools. In addition, our Theatre officers attended a leadership camp where they learned valuable tools to implement in our department this year. We also welcomed many new members to our department during Drama Camp days. We have a wonderful year planned out for Theatre, beginning with our musical We Will Rock You (High School Edition). It will highlight music by Queen and will incorporate students, staff, and students. Join our Instagram for highlights and show updates: johnjayseatheatre

# BUS INFORMATION

<https://boundariesandbuses.nisd.net/boundariesbus.nsf>

Bus Pick-up/Drop-off

Bus Loop

Please be aware that the John Jay Bus Loop is for Buses and teachers/staff only. Student drop-off is at the student parking lot on the opposite side of our school.

AM

Buses drop off students steadily in the morning, they are to report to the cafeteria through the breezeway. Right now we are a closed campus, so that means no leaving campus once they arrive.

PM

Most buses are lined up before students get out of school for the day. Administration and staff are out on the bus loop monitoring and helping students but it is the students responsibility to make sure they get on the right bus.

Any student that misses their bus will be asked to call home for pick-up by parent or guardian.

- Misbehavior on the bus may cause students to be suspended or removed from the bus.
- Make sure your student is keeping their mask on the bus throughout the entire bus ride.

**NISD remains committed to keeping the health and safety of students, staff, and visitors to our facilities a priority.**

**Therefore, the temporary mask mandate unanimously approved by the NISD Board of Trustees on Aug. 17 will remain in place. This temporary mask mandate applies to all students, staff, and visitors while indoors at all district facilities and on school buses.**

**We believe that we have an ethical obligation to our students and staff to keep them safe. We also believe that the universal use of face coverings prevents illness and quarantine that takes students and staff away from in-person instruction.**
