

JAY SEA WEEKLY

VOL. 09.07.21

CLASS MEETINGS ARE SCHEDULED FOR SEPT 08 AND SEPT 09

As we enter our 3rd week of school, we want to take some time to review the expectations and opportunities that students will have this year.

On Wednesday, Sept 08, all students will review Jay/SEA policies and procedures in their 2nd period class. 9th and 10th grade students will meet in the Auditorium during 3rd period the same day to discuss SEA specific information including this year's focus, academic research, and ways to get involved. 11th and 12th grade students will meet in the Auditorium during 3rd period on Sept 09 to discuss similar information.

All presentations will be available to refer back to on our website.

SEPTEMBER SEA FAMILY MEETING WED, SEPT 15

Come meet us in the Library on Wed, Sept 15 for our September SEA Family Meeting. We will review upcoming events and discuss Academic Research options and important dates for SEA students.

SEA LATE BUS RE-SCHEDULED TO BEGIN SEPT 13

*Need to stay after school for Tutoring, Credit Retrieval,
or other after-school events but don't have a ride?*

No problem!

When: Monday -Thursday @ 5:30 pm (Front of School)

(Re-Scheduled to Start September 13, 2021 due to lack of buses available.)

Stops: Nearest Elementary/Middle School

NOTE: You do not have to ride the late bus everyday. However, you **MUST** sign up for the late bus if you **EVER** attend on using it.

Sign up is required by filling out this [Google Form](#)

JOHN JAY SCIENCE & ENGINEERING ACADEMY WINS 4TH IN THE WORLD

Over the summer, 7 students from the John Jay Science and Engineering Academy competed in the Technical Challenge at the Destination Imagination Global Finals competition and won 4th place IN THE WORLD. They were able to watch solutions from other high school teams, including students from China, Korea, India, Pakistan, Turkey, and Brazil, to name a few. Destination Imagination solutions are solved by students only, without interference from adults, and include all elements of STEAM. In addition to their 4th place win, the team also won a DaVinci Award for their outstanding creativity.

MAKERSPACE IS OPEN FOR YOU

So proud of our upperclassmen! THANK YOU for welcoming our freshmen and sophomores who haven't been on campus before and including them in Makerspace activities during 5th lunch.

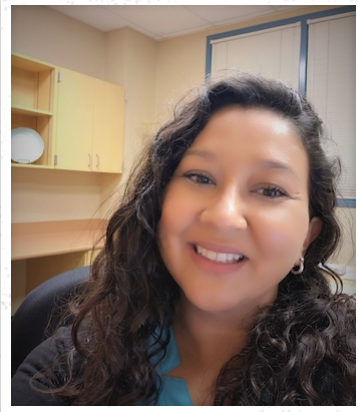

COUNSELOR'S CORNER

Welcome John Jay SEA students and parents to the 2021-2022 school year! We are excited about this school year and are here to support our students. Our role as school counselor's is to provide classroom guidance, responsive services when you are in need of emotional support, individual planning to plan for your classes during your high school career as well as future planning and provide system support to our wonderful administration and staff. We have included our contact information below should you have any questions or concerns. Go Mustangs!
