

JAY SEA WEEKLY

VOL. 09.13.21

SEA FAMILY MEETING, SEPT 15 AT 6PM

We are looking forward to seeing you this Wednesday, September 15 in the Library for our next SEA Family Meeting.

During the meeting we will share Student Expectation resources and discuss the Academic Research requirement for all SEA students.

We will also have students presenters from Academic Research areas, student clubs, and other student activities to share their experiences and answer any questions you may have.

This meeting is intended for ALL grade levels. We hope to see you there.

MEET OUR NEW CAMPUS PROGRAMS COORDINATOR- JEAN KARST

We are so excited to welcome back Jean Karst as our new Campus Programs Coordinator. Ms. Karst has been in education for 15 years. She taught Physics in Somerset ISD and Southwest ISD before joining NISD 6 years ago. She was previously the Academic Research Coordinator for 3 years and STEM Leadership Coordinator for 2 years at Jay Science and Engineering Academy. Last year Mrs. Karst joined the administration side of education as an Admin intern. STEM has always been a passion of hers and she is excited to return to her Mustang family as the Campus Programs Coordinator and will work with your students to ensure that they have many STEM Outreach, Leadership, Real-World Experiences throughout the year.

ACADEMIC RESEARCH DECLARATION FORM- DUE SEPT 17

All SEA students participate in Academic Research every year. Freshmen will complete a Science or Engineering project, while upperclassmen have options in addition to the Science and Engineering projects. ALL students need to declare, using the following form, by **FRIDAY, SEPTEMBER 17th**.

<https://forms.gle/dqJnCLp7GZCiNMWG9>

SCIENCE & ENGINEERING FAIR CATEGORIES

All 9th grade students are required to participate in the annual Science & Engineering Fair to fulfill their Academic Research requirement. 10-12 students may choose to participate in Science & Engineering Fair as their Academic Research or may choose from a number of other options listed in Schoology. For a complete list of Science & Engineering Fair categories, subcategories, and their descriptions, please use the link below:

<https://www.societyforscience.org/isef/categories-and-subcategories/all-categories/>

21-22 SEA STUDENT ADVISORY COUNCIL APPLICATIONS

Jay SEA is looking for students who are interested in serving as advisors on the SEA Student Advisory Council. The students on the council will serve to provide input to SEA administration on issues related to our school. Students will be asked to give their feedback and contribute ideas to promote the success of our school. We will meet approximately 4-6 times during the school year during 5th period lunch. This is a great opportunity to get involved and be an active member of your school community!

If you are interested in serving on the SEA Student Advisory Council, please complete the form below by Friday, Sept 17. <https://forms.gle/t2yZZiyZA3GgcsTx6>

READ SCHOOLOLOGY AND EMAILS DAILY

Students, please make a DAILY HABIT of checking your email. The SEA Leadership Team sends out important information, announcements, and opportunities through email and Schoology.

FRESHMEN: if you haven't already done so, **please check your email for an invitation to join the 21-22 SEA Students Group in Schoology.** This is where you will find resources to help you with your Science or Engineering project, and where we will post information on outreach and field trip opportunities. Some options will be limited in the amount of students we can bring, so it will be first come, first served.

WE DON'T WANT YOU TO MISS OUT!

SEA LATE BUS BEGINS SEPT 13

Need to stay after school for Tutoring, Credit Retrieval, or other after-school events but don't have a ride? No problem!

When: Monday -Thursday @ 5:30 pm (Front of School)
(Re-Scheduled to Start September 13, 2021 due to lack of buses available.)

Stops: Nearest Elementary/Middle School

NOTE: You **MUST** sign up for the late bus if you **EVER** attend on using it.

Sign up is required by filling out this [Google Form](#)

ROBOTICS TEAM ORION MEETING EVERY WEDNESDAY AT 4:30PM

COUNSELOR'S CORNER

9th grade Howdy Lesson occurred last week. Here are some of the resources we referred to that will help you manage time and improve your organizational skills:

<https://www.any.do/>

<https://135list.com/>

<https://www.mystudylife.com/>

12th grade conferences will be held during the week of 9/13 -9/17.

MAKERSPACE IS OPEN FOR YOU

So proud of our upperclassmen! THANK YOU for welcoming our freshmen and sophomores who haven't been on campus before and including them in Makerspace activities during 5th lunch.

REUNITING SEA SAFELY (NISD SAFETY PROTOCOLS)
