## Congratulations to the 21-22 SEA Student Advisory Council Selects

We would like to congratulate the students selected to serve on the 21-22 SEA Student Advisory Council. The SEA Admin will meet with this group 4-5 times to get feedback about our school and how we can continue to improve the SEA experience for every student. Please feel free to share your thoughts and ideas with any of the council members about ways to improve our school. We are excited about working with this very talented and dedicated group.

21-22 SEA Student Advisory Council Member:

Andrea Alers Chaparro, Oliver Bengele, Ashton Brown, Jacob Estrada, William Gallagos, Josselyne Gonzalez, Sarah Leal, Amethyst Mann, Sayuri O Campo, Gabriel Palomo, Anahi Ramos, Victoria Rangel, Guadalupe Tapia, Allison Wade, Sean Wagg

## Jacinda Recognized as a Commended Student in the 2022 National Merit Scholarship Program

SEA student Jacinda Navarro has been identified as a Commended Student in the 2022 National Merit Scholarship Program.

This award is given to students who score well on the PSAT/NMSQT exam to recognize their exceptional academic promise.

We want to congratulate Jacinda for this outstanding accomplishment and for being a true leader on our campus.

## Academic Research Applications Review

The teachers sponsoring Academic Research options are currently reviewing all of the applications they received.

Ms. Maretzki will post lists near A220 and the SEA Office to let students know who was accepted into the following Academic Research areas: Robotics, Art in STEM, Destination Imagination, and the NASA Volare Program.

All applicants will also receive an email to let them know about the status of their acceptance.

Mr. Rivera will notify all ACE program applicants directly.

## Cybersecurity View Party

Students attended a virtual cyber security engineers career panel. Panelists discussed topics such as what and how they became cybersecurity engineers, which skills enabled them to get their first tech job, how they acquired their skills, and which certifications opened opportunities for them. Thank you to Mrs. Chapa and Ms. Gregory for setting up this amazing event.

## Science & Engineering Fair Time Management Timeline

### Week of Sept. 6-12

1.

- Class Meetings with Academic Research presentation
- Decide which research option you're interested in
- Read through science categories & subcategories
- Make a list of categories you're interested in

### Week of Sept. 13-19

2.

- Search your categories of interest (start with general Google searches)
- Brainstorm a list of topics from those categories
- Choosing a topic is the hardest part - stick with ones that interest you!

### Week of Sept. 20-26

3.

- RESEARCH!
- As you research, your topic may change or adjust - that's okay!
- Keep a list of articles and websites - you'll need these for your Bibliography

### Week of Sept. 27- Oct. 3

4.

- Keep researching
- Start to develop your plan and start documentation in Scienceer
- Type out a detailed list of materials (incl. sizes, amounts, etc.)

## Makerspace Activities

Once you finish eating your lunch, you are welcome to come check out the activities in Makerspace in A220. Here, students enjoy playing games, doing puzzles, trying out some of our STEM activities, reconnecting with old friends, or meeting new ones.
